

# Ethics and the Responsible Conduct of Research Spring 2010

BMS 214 / Neuroscience 214

Course Coordinator: Bill Lindstaedt, [bill.lindstaedt@ucsf.edu](mailto:bill.lindstaedt@ucsf.edu)

cc: all correspondence to Mark Harris, [ocpd@ucsf.edu](mailto:ocpd@ucsf.edu)

**TIME:**

**10:00 – 11:30 AM** *Late arrivals will not be given credit for the session and will need to make up the session next year*

**You also MUST sign the sign-in sheet to get credit for the session!**

**Week 1:**      **Wednesday, April 14, Parnassus N217**  
**Thursday, April 15, Mission Bay Genentech Hall Auditorium**

*Publications and Authorship :*  
*Vivian Siegel – Director, Center for Science Communication, Vanderbilt*  
*Past Executive Editor of Cell and PLoS*

**Week 2:**      **Wednesday, April 21, Parnassus N217**  
**Thursday, April 22, Mission Bay Genentech Hall Auditorium**

*Scientific Misconduct and Ethics in Science :*  
*Bruce Conklin – Sr. Investigator, Gladstone Inst. of Cardiovascular Disease*

**Week 3:**      **Wednesday, April 28, Parnassus N217**  
**Thursday, April 29, Mission Bay Genentech Hall Auditorium**

*Scientific Record Keeping and Data Management :*  
*Joe DeRisi – Professor of Biochemistry and Biophysics*

**Week 4:**      **Wednesday, May 5, Parnassus N217**  
**Thursday, May 6, Mission Bay Genentech Hall Auditorium**

*Animals in Research – Animal Rights and Welfare :*  
*Philip Sabes - Director of Sensorimotor Learning Lab, Keck Center for Integrative Neuroscience*

**Week 5:**      **Wednesday, May 12, Parnassus N217**  
**Thursday, May 13, Mission Bay Genentech Hall Auditorium**

*Human Subjects in Research :*  
*Don Ganem – Professor of Microbiology and Medicine*

**Week 6:**

**Wednesday, May 19, Parnassus N217**

**Thursday, May 20, Mission Bay Genentech Hall Auditorium**

*Science Outside of the Academy - Conflicts of Interest:*

*Douglas Crawford – Associate Executive Director of QB3*

**Week 7:**

**Wednesday, May 26, Parnassus N217**

**Thursday, May 27, Mission Bay Genentech Hall Auditorium**

*Research Funding :*

*Keith Yamamoto – Executive Vice Dean, UCSF School of Medicine*
